Rules

Global Rules

If you have any inquiries or questions about the rules, please submit a discord ticket or contact a Fortune Mod.

- (1) => Make sure to keep builds, chat, signs, skins, names and item names civil and family friendly.
- (2) => No spamming or advertising in chat.
- (3) => Profanity, hate speech, racism, homophobia and abuse is not permitted.
- (4) => Drama and personal disputes should be handled in private. Should disputes require escalation, please submit a support ticket on discord (create-a-ticket) or contact @Fortune Mod.
- (5a) => We have a zero tolerance policy for cheating, hacking, griefing, or intentionally causing lag intended to disrupt server performance.
- (5b) => This includes but is not limited to: XRay (in both hack form and texture pack form), FreeCam, NoLavaFog, auto-builder/miner programs or bots, programs like Tweakaroo, and Wurst or other hacked clients.
- (5c) => Litematica, Replay Mod, Optifine, autoclickers, fair-play minimaps, and other performance enhancing mods are allowed.
- (6) => Methods to bypass afk timers for the sole purpose of farming ranks is not allowed. This does not include AFKing at Manual or Automatic Farms.
- (7a) => It is up to the discretion of the Fortune Mods to determine punishments for rulebreakers. Typically, punishments will include, but are not limited to...
- (7b) => Minor or 1st time offenses (including afk rank farming, breaking chat rules, etc.) - Mutes, kicks, or 24hr temp bans.
- (7c) => Major offenses (including griefing, targeted harassment, etc.) - 3-7 day temp ban.
- (7d) => Extreme offenses or repeated major rule violations including (hate speech, cheating, lag machines, etc.) - 7-30 day temp bans, permanent bans, or IP bans.

Survival

- (1) => All Rules stated in Global Server Rules apply on the Survival Server.
- (2) => Respect other players and their claimed builds, this means NO griefing, this is not an anarchy server.
- (2a) => In claimed areas, killing non-hostile entities or hostile entities intended for use in farms or griefing areas on the borders of a claim is included in this rule.

- (3) => Claims expire after not logging in for a set period of time depending on rank - see /ranks for details. Any unclaimed builds may be claimed, removed, or taken down by anyone and are considered “fair-game”.

SkyWars

- (1) => All Rules stated in Global Server Rules apply on the SkyWars Server.
- (2) => Any forms of exploitation to farm XP, Coins or Statistics will not be permitted, this includes the use of Alt Accounts to guarantee wins.
- (3) => Teaming in Solo Maps is strictly prohibited as it makes the experience unfair for all.

Creative

- (1) => All Rules stated in Global Server Rules apply on the Creative Server.

How to Join

Java

IP Address: mc.fortunecraft.net

Minecraft Version: 26.2 (you should be able to join on newer versions but you will not have access to any features in newer versions until we are able to update the sever)

Bedrock

1. Add FortuneCraft387 as a Friend on Xbox.
2. It should add you and pop you an invite to the Server.
3. For future references you can just open the game, navigate to the Friends tab and join via there!

Alternatively on Windows and mobile you can also enter this information in the server tab:

- IP Address: mc.fortunecraft.net
- Port: 25565

Modded

You can join the modded server on 1.21.1 with the same IP: MC.fortunecraft.net , if you download the modpack on the modrinth launcher, the server should be already added.

Account Linking

Link Java to Bedrock

Log in to the Lobby on Java Edition and type **/linkaccount [bedrockname]** and then login on your Bedrock Account and type **/linkaccount [javaname] [code specified]**

If you would like to unlink your account you can do **/unlinkaccount**

When linking Java - Bedrock all of your Bedrock account progress will be wiped as your Java Account will be the primary account.

Link Discord

Go to the [server-info](#) channel on discord and click "Link Minecraft Account", copy the code and do **/link** and then paste your code.

Link Twitch

Do **/drops** and then click the name tag in the bottom right then type your twitch username in chat. You can unlink your account by clicking the name tag again.
