

Fortune Drops

What are Fortune Drops?

Fortune drops allow you to receive exclusive rewards from watching [Fortune Partners](#) on Twitch. Each reward is unlocked by watching for a certain period of time.

Fortune Drops are not Twitch drops and use a different system that is not affiliated with Twitch.

Link your accounts

To link your Minecraft and Twitch accounts:

- login with twitch on thebuzz.com if you haven't already (this is so that you are added to the database)
- Join the survival world
- Do **/drops** to access the drops menu
- Select the name tag in the bottom right corner
- Type your Twitch username in the chat.

You can also unlink your account in the same place where you linked it in the drops menu.
